

## DW2.0 Certification Class with Bill Inmon

August 5, 6, 7, 2008

8:30 a.m. - 4:30 p.m.

### **Location:**

Mentor Graphics Campus  
8005 SW Boeckman Road  
Wilsonville, OR 97070

Commons Building,  
Adams Creek Conference Room

### **About this Course:**

DW2.0™ is the architecture of the next generation of data warehousing. It is a statement of what a data warehouse should be and the vision that Bill Inmon has for the future of data warehousing.

The three day course is for architects who lead their organizations into the future by using a sound architectural framework. Presented by Bill Inmon on day one, and Derek Strauss and Genia Neushloss of Gavroshe USA, Inc. on days two and three.

A certification exam will be offered on day three of the training. Upon completion of the certification exam, the attendee will be placed on the Bill Inmon web site as having completed the certification process.

Breakfast, lunch vouchers, and parking are provided.

### Topic Outline:

- **Day 1** (8:30 - 4:30 Bill Inmon)
